**Time for a change**

**JOHN DEERE**

Uptime. Downtime. Overtime. Maintenance time. When it comes to your business, now more than ever - time is money. And when it comes to your tractors... now is the time for a change.

Our newest generation of utility and compact utility tractors were designed and built to be our longest lasting, most reliable ever. With features like a heavy-duty frame and components, dependable John Deere PowerTech Diesel Engine, and high-capacity hydraulics, all backed by the best dealers in the industry, parts when you need them, and a full range of implements and attachments you just can't find anywhere else. Plus, John Deere's legendary resale value means it's an investment for the long term.

Upgrade your equipment to a new 45-horsepower John Deere 5045D for as little as \$16,090. And discover the difference it can make in your business. You and your operators will spend less time repairing, maintaining, waiting... and more time working. That's the bottom line.

See your John Deere dealer today and say, "It's time for a change." Learn why when it comes to equipment... Nothing runs like a Deere.
